

Questions for School Board Candidates

Why are you interested in serving on a school board?

What do you perceive to be the responsibilities of the local school board?

What are the top priorities you would like to see school boards address?

What do you see as the two or three greatest challenges facing public education today?

If elected, **how** would you address these challenges?

What would you find most difficult about being a member of the school board?

What will be your approach to working with the other members of the board and the superintendent?

How do you see yourself working with various groups such as the teachers' association, parent groups, and municipal officials?

Election Day is Wednesday, October 26, 2022.
